

## **Camper Brokers the Purchase of Warehouse to Meet Client's Expanding Business Requirements**

*January 2011 Peoria, Illinois*

Rome Industries is a 3 generation family business that has been based in Peoria for more than 47 years. They distribute innovative and fun outdoor and garden ornamentation products as well as a selection of unique campfire products such as pie Irons, marshmallow roasting forks and grilling tools. When the company needed more space to meet their expanding business requirements, the President of Rome Industries turned to Tom Camper for help.

Tom Camper contacted the owner of a warehouse in the vicinity of his client's home offices. He successfully negotiated the purchase of an 8,000 square foot warehouse - a winning situation for both buyer and seller. The acquisition is set to close by March 1, 2011.
