Peoria Monkey Joe's Provides Families with Engaging Activity and Entertainment

February 2011 Peoria, Illinois

Peoria residents will soon learn how much fun monkeying around can be. Monkey Joe's, a popular inflatables-filled indoor play and party center will be bouncing into Peoria in mid-February at 8901-B N. Knoxville Ave. This opening represents a growth trend in one of the hottest categories, children's party and entertainment centers.

Brad Joseph, Broker with Joseph & Camper Commercial, worked with franchisees and local residents, Greg and Kristy Clore, to find a strategic location to bring Monkey Joe's to Peoria area. "We are thrilled to open Monkey Joe's in Northpoint Shopping Center," explains Kristy Clore. "As parents of young children, we saw a need for a family-friendly destination that provides both enjoyment and exercise for kids in the Peoria area." "My husband and I were excited to locate here near the Ashley Furniture, Tim's Ace Hardware, Firehouse Pizza and the many other family oriented businesses."

"There is something for every member of the family at Monkey Joe's," explains Greg Clore. "According to the CDC, the recommended amount of exercise a child should get per day is 60 minutes. At Monkey Joe's, children can engage in that much-needed physical activity while parents can socialize in a space that is not only in clear view of their children, but relaxing as well."

With 56 locations nationwide, Monkey Joe's has proven to be a promising business venture.
